Low-Income Iowans may Qualify for Telephone Assistance

Access to local emergency services and community resources is vital to all residents. Lifeline helps low-income consumers connect to the nation's voice and broadband networks, find jobs, access health care services, connect with family and call for help in an emergency. For some, being connected can be the difference between social connection and complete isolation. Under the federal Lifeline Program, low-income consumers who participate in certain public assistance programs or qualify based on income can receive a discount of up to \$9.25 per month off their monthly broadband-qualifying service bill, up to \$5.25 off their voice-qualifying service bill.

RELAY IOWA – makes communications through the telephone between hearing, deaf, deaf-blind, hard-of-hearing and speech impaired persons possible.

To use RELAY IOWA dial 7-1-1 or the appropriate toll free number below.

English TTY/ASCII: 7-1-1 or (800) 735-2942 English Voice: (800) 735-2943
Spanish Service (Voice/TTY): (800) 264-7190 TTY or VCO Direct: (800) 735-4313
Customer Service (Voice/TTY/ASCII/Spanish): (888) 516-4692 Speech to Speech Service: (877) 735-1007

Telecommunications relay service provides full telephone accessibility to people who are deaf, hard-of-hearing or speech impaired. Specifically trained Communication Assistants (CA's) process relay calls and stay on the line to relay conversations electronically, over a Text Telephone (TTY) or verbally to hearing parties. The service, known as Relay Iowa, is available 24 hours a day, 365 days a year, with no restrictions on the number of calls placed or on their length. This valuable communications tool gives all individuals who are deaf, hard-of-hearing or speech impaired the opportunity to make personal and business calls just like any other telephone user. Both TTY and voice users may initiate calls through Relay Iowa.
