

Annual Meeting Recap

Thanks to the shareholders who attended our Annual Meeting on March 18. Purpose of the meeting was to elect two directors and present the Annual Report for the fiscal year ending December 31, 2022. Congratulations to Zak Knutson and Danielle Trumbauer for winning the election. Another agenda item discussed was the 2024 distribution amount and the board approved \$750,000. We are extremely grateful for our customers patronage and look forward to showing our appreciation during our 3rd Annual Customer Appreciation event this summer or early fall!

How Edge Computing Revolutionizes Modern Data Centers

Modern data centers have adapted and started using edge computing to respond to the increasing need for speed, accessibility, and security.

Smart Home Products

Introducing new lines of products that can now be purchased at Heartland Technology and installed by our knowledgeable staff!

New Security Cameras

We are now carrying three new brands of cameras! Along with Arlo, we now sell Google, Blink, and Wyze security cameras, doorbells, and more. These different brands give our customers different options and price ranges to best fit their needs and wants. New cameras are on display in our office. Don't forget we can do the install as well! Call us or email us for a free quote.

Wireless Links

Looking to extend your home WiFi to other buildings on your property such as grain dryers, sheds, barns, garages, and more? Through a free evaluation, we can determine if your property is a good candidate for a wireless link to extend the internet signal. Call our office at [319-827-1151](tel:319-827-1151) or reply to this email to schedule an appointment!

In The Community

Our mission to give back to the communities we serve continues to be top-of-mind for us and we regularly look for volunteer opportunities for our staff and board to participate in. In March, a group of employees volunteered at the Independence Area Food Pantry helping pick up food donations - see pictures below. Also pictured below are more photos of our Annual Meeting.

Jtt.net Email

Jtt.net email upgrades went underway last month. Thanks to all our customers for being understanding and allowing us time to find answers to questions you have/had. We have created an eScout guide that can be found [here](#). Please feel free to reach out to us with any questions.

Digging?

Call One Call
for a locate.

Mowing?

Be careful for
utility peds.

Burning?

Be careful.

Fiber is expensive! Please pay attention digging, mowing, or burning - it could cost you big.

**Call 811 or visit iowaonecall.com.
Damage could cost you up
to \$20,000!**
