KEEPING JESUP CONNECTED

Heartland Technology strives to provide the best customer experience, the highest-quality services in technology, and dedicated support to our community.

WHY CHOOSE US?

For over 100 years, we have provided leading communication and technology services available for our community and businesses to connect them to world. We offer fiber optic internet connection with speeds up to 1 Gig.

● RELIABLE CONNECTION

Our fiber optic connection delivers reliable connection with little-to-no down time. We offer a variety of internet packages that will fit your need and budget, and you'll always get the speeds you pay for.

● CUSTOMER SERVICE

Our friendly and knowledgeable customer service employees are available to answer your billing, service and technical questions.

● COMMUNITY DRIVEN

We take pride in volunteering and supporting community organizations.

INTERNET PACKAGES

Internet Hookup - \$30 + tax

Fiber 50 \$80.00

Ideal for light internet users, such as browsing, social media, and streaming in HD. Supports 2-3 devices at a time with moderate usage. *50 Mbps up & down*

Fiber 100 \$85.00

Great for households with multiple users, allowing HD streaming, video calls, and gaming with a few devices connected simultaneously. *100 Mbps up & down*

Fiber 250 \$100.00

Suitable for larger households. It supports multiple HD or 4K streams, faster downloads, and multiple devices without noticeable lag. *250 Mbps up & down*

Fiber 500 \$129.00

Perfect for power users, with fast speeds that support 4K streaming, online gaming, large file downloads, and heavy multi-device usage. *Managed Wi-Fi included. 500 Mbps up & down*

Fiber 1 Gig \$154.00

Designed for heavy-duty use in larger households or small businesses. Supports ultra-fast speeds for 4K/8K streaming, intensive gaming, multiple high-demand devices, and large file transfers. *Managed Wi-Fi included. 1,000 Mbps up & down*

MANAGED WI-FI

\$7.00 per month for Fiber 50, 100, & 250

Managed Wi-Fi is an extra service we offer that includes a router, set-up and installation, a Wi-Fi management app, ongoing maintenance and enhancements, 24/7 Wi-Fi support, and more to deliver a whole home Wi-Fi experience with fast and reliable speeds.
